Dr. Farrelly welcomed all to the meeting. Dr. Farrelly discussed with the Board the painting of the bricks in Eagle Hall as well as a ribbon cutting ceremony. The decision was made to paint the bricks beige to match the upper part of the wall. A ribbon cutting ceremony will be held on December 12th, in Eagle Hall, prior to the concert. The December Board meeting will take place on December 11th as scheduled. Discussion was held regarding the Nickerson Corp. JHS cabinets offer. The Board responded with a counteroffer. Dr. Farrelly provided the Board with copies of a Study of NYS Foundation Aid and recommendations for legislative action for the 2017-2018 school year. The study was done by NYS Association of School Business Officials. Mrs. Psarakis is a member of the Association. Mrs. Psarakis will print the proposed bill for the TRS reserve and prepare a sheet of the key highlights for the 12/11/17 BOE meeting. Dr. Farrelly also shared a copy of this year's Nassau and Suffolk legislative priorities. She asked the Board to please use this information to guide their work/discussions with our local officials. On December 5th, our HS is offering a Transition Fair. Representatives from various Long Island agencies and organizations will assist and support students with developmental disabilities transitioning from high school to the adult world. Mr. Michael Devane, SHS Assistant Principal, and Mrs. Jessica Yawney-Kohler, JHS Assistant Principal, as well as our guidance counselors, have been working on our 6-12 guidance course offerings and coursework pathways. An overview will be provided at a future BOE meeting. Discussion was held regarding a Board member inquiry relating to researching and considering post season pay for our coaching staff. Dr. Farrelly, with the Board's approval, will ask Mr. Lou Howard, Athletic Director, to gather the following information from other districts: updated stipend comparisons; listing of which districts offer post season pay; and how much they provide their coaches. Dr. Farrelly noted that tonight Mr. Payne, along with the HS team, will be presenting the "Regents Weight on GPA" presentation. Dr. Farrelly asked all to review the latest "Points of Pride" issue. In closing, Dr. Farrelly hoped all had a wonderful Thanksgiving weekend. She shared she is thankful for her family and good health. In addition, she thanked the Board, the staff, faculty members, PTAs, SEPTA and community organizations for going above and beyond for our students...for supporting our administrative team as we implement curriculum and SEL initatives throughout the district.

# 3. REPORT OF THE SUPERINTENDENT AND/OR EDUCATIONAL PRESENTATION

Presentation: A. Presentation: Regents Weight on GPA - Mr. Scott Payne, Executive Director for Curriculum & Instruction; Senior High School Administrators

Mr. Payne, along with the SHS administrators, prepared/provided an in-depth presentation relating to the review of Regents weight on student's GPA. Discussion included change of percentage rate from 20% to 15%. Students enrolled in self-contained classes as well as ELL students would be "held harmless" in regard to Regents Exam weight toward final course grade calculation. "Held Harmless" means that if these students' Regent Exam score was lower than their course average, it would not count as part of their final course grade. Correspondingly, if their Regents Exam score was higher than their unchanged course average, it would count 15%.
