14. NEW BUSINESS

Discussion: A. Discussion: District, Board & Superintendent Goals for the 21-22 School Year: Dr. Yiendhy Farrelly, Superintendent of Schools

Dr. Farrelly provided the trustees with the draft 21-22 goals and also attached the adopted goals from the 20-21 school year. Dr. Farrelly reviewed the 21-22 draft goals line by line and thanked the Board for their input relating to the Board's goals. Regarding the Chain of Communication, Dr. Farrelly has created a "West Babylon UFSD: Contact Us" list which includes the name of each department and the administrator assigned to the specific department along with a telephone number and email address. Under "Superintendent's Goals", (a) strengthening district communications and branding through the use of the district website, communications and social media, Dr. Farrelly has asked our public relations firm, Syntax, to review/update the district website to ensure easy accessibility. In closing, she asked if the Board had any other suggestions and shared that the Strategic Plan Goals and Actions will be proposed to the Board during the upcoming Board of Education meetings. Upon adoption, the 21-22 Goals will be placed on the website.

Trustee Christopher Paolillo, relating to the Chain of Communication, raised the issue of staff response time to a parent/guardian email or telephone call. He understood the timeframe to be 48 hours. Dr. Farrelly indicated the time in which staff should respond is within 48 hours of receipt of an email or telephone call. Board President Campasano said the response is an acknowledgement of the inquiry and may not be the answer to the inquiry/question.

Relating to the strategic plan, Dr. Farrelly indicated the updating process will begin tomorrow (Wednesday, 7/7/21) as the CIR (Continuous Improvement Report) is being worked on by the administrators including goals. The draft will be presented to the Board during the upcoming Board meetings. Board President Lucy Campasano asked if the new trustees have been given the original Strategic Plan for reference purposes. Dr. Farrelly said all of the strategic plans are on the website. Board President Campasano said this will enable the new trustees to see how much progress and how far the district has come over the years.

In closing, Dr. Farrelly welcomed the new Board of Education Trustee Kristen Scieme as she officially starts the new school year as a trustee having been sworn in tonight.
