Final Resolution: Motion Carried

Yes: Chris Paolillo, Roseann Geiger, Cathy Gismervik, Kristen Sciame, Patti Neville

Procedural: B. Statement of the Board and/or Superintendent

Dr. Farrelly thanked the community for attending. She began her report by thanking the community on behalf of the BOE and the administrative team for taking the time to vote on the budget. It was a resounding 73% approval of the budget. She also thanked the West Babylon Teachers Association, CSEA for sending out cards and making calls to the community to vote.

Dr. Farrelly addressed the topic of retiree health insurance raised by a community member during the prior BOE meeting. She indicated a letter was sent out to all retirees stating that the school district is exploring alternative health insurance options for the district. The high cost of health insurance has been discussed at various BOE meetings. As a result, the superintendent was charged with researching this area (along with other districtwide expenses). Information will be shared with the BOE at a future meeting. Yes, it is possible that health insurance benefits could change; it is a decision that has not been made as the district is in the process of gathering information. Ultimately, the decision will be made by the Board of Education.

Since today is the last BOE meeting of the school year, Dr. Farrelly thanked and acknowledged the Board of Education for what they have done throughout the school year to support the school district. The last few months certainly have not been easy. Dr. Farrelly also thanked Trustee Kristen Sciame for serving our school district throughout the last few years.

Additionally, Dr. Farrelly gave a special thank you to Board President, Lucy Campasano who served on the Board of Education for 29 years, almost 3 decades. Mrs. Campasano has attended countless athletic events, musical performances, drama productions, graduation ceremonies, and assemblies, to name a few. She has always advocated for student programs and student opportunities for all students. On behalf of the Board of Education, administration team, staff, faculty, and students, thank you!

Dr. Farrelly welcomed and congratulated Mr. Raccomandato and Mr. Maucere as new Board members.

Dr. Farrelly finalized her report by emphasizing that the school year is close to its end. Regents and final exams are wrapping up soon. One 5th grade moving up ceremony left - Santapogue is scheduled for tomorrow. JHS and SHS graduations are scheduled for next week! Looking forward to closing out the school year and kicking off the summer programs.

4. STATEMENT OF RESIDENTS - AGENDA ITEMS ONLY

Procedural: A. Statement of Residents re: agenda items [15 minutes-limited to 3 minutes per speaker]

A community member has raised concerns regarding the district's current practices in extending contracts before the expiration date. Furthermore, she requested that the Board conduct an analysis of the sick time and PTO time included in any new contract. Additionally, the community member inquired about the Superintendent's Contract and the extension of such. District Attorney Christopher Venator clarified that the Superintendent's contract includes an Evergreen Clause, which means the contract will be extended for another year unless the Board indicates otherwise when it meets in February. This has already occurred. The amendment on the agenda is merely a formality recognizing that this occurred in February as a result of her contract. Mr. Venator also noted that there is no change to her contract or benefit levels.
