## Uniform/ Equipment Inventory Procedure

Coach

Equipment Manager

## Coach

1. Coach submits roster to Athletic Director (AD).
2. Coach sets appointment with Equipment Manager (EM) for uniform/equipment pickup.
3. Coach signs Equipment Tally sheet to verify receipt of uniforms/equipment.
4. Coach distributes uniforms/equipment to athletes.
5. Athletes sign Equipment Contract acknowledging receipt of uniform/equipment.
6. Coach maintains team inventory record.
7. Coach contacts EM via email if emergency uniform needs arise.
8. Two weeks prior to end of season (or post-season), coach contacts EM to set appointment for return of uniforms/equipment.
9. Uniforms/equipment are collected on the day of the last competition upon returning to the school.
10. Coach verifies each piece of uniform/equipment returned using Equipment Contract.
11. Athlete and coach sign Equipment Contract.
12. Coach sends a copy of the form letter to parents indicating items not returned within three days of collection date. Copies are given to AD and EM.
13. Status of outstanding uniforms/equipment must be given to $A D$ and $E M$ two weeks after collection date.
14. Coach enters the uniforms/equipment returned using the online Equipment Inventory form.
15. Coach meets with EM at appointment time to return uniforms/equipment and verify inventory entered on the online Equipment Inventory form.
16. Coach and EM sign a hard copy of the online Equipment Inventory form and receive a copy.

## Copy of Form Letter for Missing Equipment

## Equipment Manager

1. Three months prior to the start of each season, verify count and receipt of reconditioned equipment using the online Equipment Inventory form.
2. EM sets appointments with each coach for distribution of uniforms/equipment.
3. EM signs Equipment Tally sheet to verify distribution of team uniforms/equipment.
4. EM responds to coach emails regarding emergency uniform/equipment needs throughout season.
5. EM meets with each coach during designated appointment time to receive uniforms/equipment and verify counts using the online Equipment Inventory form.
6. EM and coach sign a hard copy of the online Equipment Inventory form.
7. EM gives a hard copy of the signed Equipment Inventory form to the AD.
8. EM makes arrangements with laundromat or reconditioner for cleaning and repair of uniforms/equipment.
9. EM keeps inventory of what is sent out and received using the online Equipment Inventory form.

## Parent and Student Athlete

1. Students will provide coach with roster information and complete the information on the equipment contract.
2. Student and coach will sign and date the contract verifying items distributed to the student.
3. Students will secure all school issued items in a locked locker during the season.
4. P/G and students will launder uniforms and keep them home until days that they are needed.
5. Students will return all uniforms on the day of the last competition.
6. Student will inform P/G of any missing items and the fact that a letter is coming explaining impact on future athletic participation by the student and replacement obligation.
7. Upon receipt of coach's letter P/G shall contact the Athletic Department and inform the school of how it will be rectified. If it is not rectified before tryouts of the next season the student will forfeit the right to try out.

## Athletic Director

1. AD reviews all outstanding uniform/equipment letters to parents two weeks after team collection date.
2. Telephone contact will be made by AD office to parents/guardians whose athletes have outstanding uniform/equipment.
3. AD will maintain a list of ineligible athletes based on outstanding uniform/equipment obligations.
4. Two months prior to season, AD reviews online Inventory Form, determines need and places necessary orders.
5. AD holds coaches' meetings one month prior to season start and informs coaches of minimum and maximum amount of players per team.
6. Review uniform/equipment inventory and outstanding uniform/equipment letters with coaches at closeout meeting. This is one component of the review for stipend approval process.

## Next Steps

- \$20,000 from annual material/supply budget must be allocated for cloth replacement based on 10 year replacement cycle.
- Review and reinforce distribution and collection procedures with Equipment Managers and Coaches.
- Inventory other equipment to create needs assessment and replacement cycle.
